ABOUT THIS MATERIAL

A white matt vinyl with a repositionable adhesive laid down in a dot pattern instead of a solid coat. Air escapes between the dots, so graphics go on bubble-free by hand with no squeegee skills, and you can lift and reposition them while fitting. Made for short-term indoor promotions, events and rented spaces.

GOOD FOR

- Retail promotions on walls
- Office and event wall graphics
- Rented spaces and short-term fit-outs
- Graphics your own team will fit
